

# Vote Yes **4** FLORIDA HOMETOWN DEMOCRACY

**WE SHOULD GET TO VOTE BEFORE WE ARE FORCED TO PAY!**

- Amendment 4 will give citizens a “seat at the table” - a VOTE on new growth in their community...
- Why? *We deserve a say - before we have to pay...with even higher taxes!* Growth does not pay for itself.
- How? After your local government adopts a proposed land use change to your local growth plan, *Voters will approve or veto those changes* at the next regularly scheduled election.
- Nov.2, VOTE YES on AMENDMENT 4:

“BALLOT TITLE: Referenda Required For Adoption And Amendment of Local Government Comprehensive Land Use Plans.”
